In Tandem : Picture CoNsEqUeNcEs : Joseph Maida and Katie Murray

© Joseph Maida and Katie Murray

Picture CoNsEqUeNcEs is the culmination of a 90-day photographic conversation in which Joseph Maida and Katie Murray exchanged new and archived pictures online. Taking into consideration the rise of the Internet as the primary platform for "reading" photographs and the current zeitgeist of working among genres and formats, Maida and Murray's resulting exhibition re-contextualizes their work and attests to their shared belief in the power of photographic pictures as potent language, metaphor, riddle, and game.
